For he counteracts the powers of darkness by his electrical skin and glaring eyes.
For he counteracts the Devil, who is death, by brisking about the life
For in his morning orisons he loves the sun and the sun loves him.
For he is of the tribe of Tiger.
(...)
For by stroaking of him I have found out electricity.
For I perceived God's light about him both wax and fire.
For the Electrical fire is the spiritual substance, which God sends from heaven to sustain the bodies both of man and beast.
For God has blessed him in the variety of his movements.
For, tho he cannot fly, he is an excellent clamberer.
For his motions upon the face of the earth are more than any other quadrupede.
For he can tread to all the measures upon the musick.
For he can swim for life.
For he can creep.

EL BIOMBO

basado en la canción homónima de Ô Paradis,
del álbum *Serpiente de Luna, Serpiente de Sol*.

Si me voy lejos es para ver
nuevas miserias
Un biombo de otro color
Que esconde
lo mismo

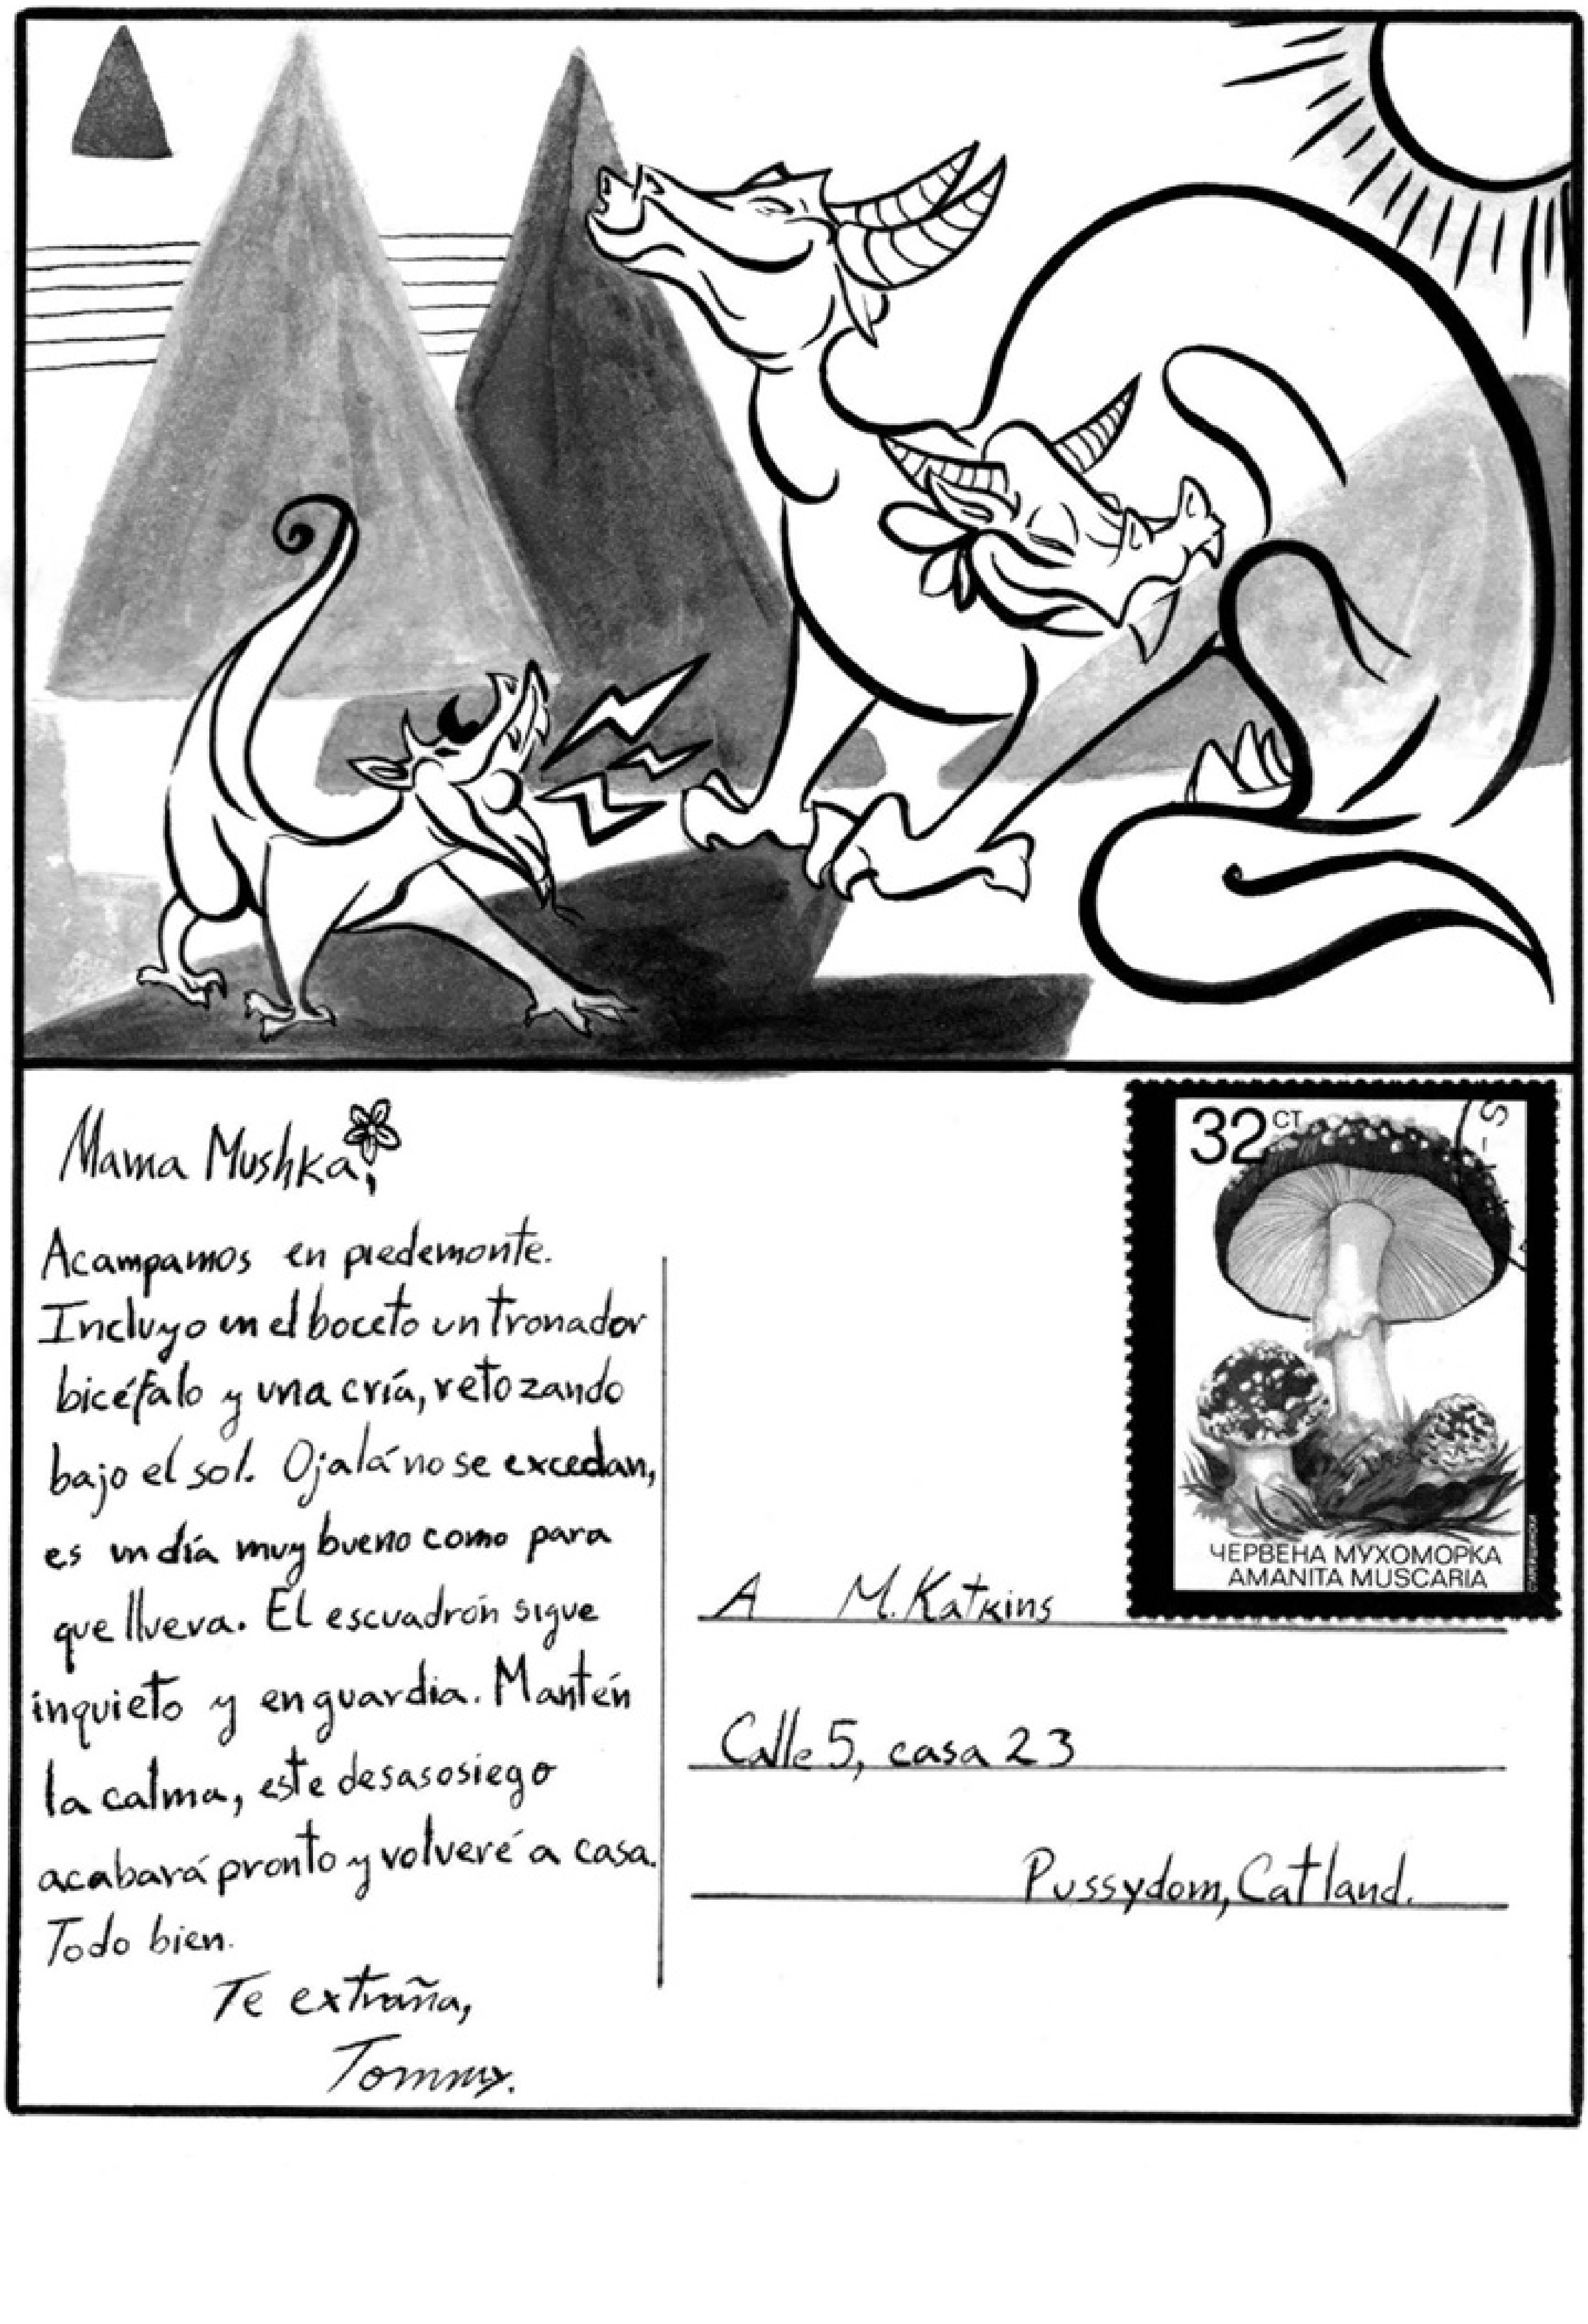

Caminando por un desierto de ideas
sin saber a dónde voy

Quiero soñar
tu secreto
tú que abres los brazos
y escondes el mundo
Quiero soñar tu secreto

Mama Mushka,
Acampamos en piedemonte. Incluyo en el boceto un tronador bicéfalo y una cría, retozando bajo el sol. Ojalá no se excedan, es un día muy bueno como para que llueva. El escuadrón sigue inquieto y en guardia. Mantén la calma, este desasosiego acabará pronto y volveré a casa. Todo bien.
Te extraña,
Tommy.
